BSCA Rules for the FRENCH COURSE

(<http://bsca.info/wp-content/uploads/2013/07/BSCAFrenchcourse.pdf>)

In August of 2010, AKC agreed to recognize Parent Club administered Performance events through the issuance of an AKC title certificate and the recording of these titles on AKC pedigrees.

BSCA has obtained permission from AKC to establish a herding trial based on the traditional tending skills of our dogs and established a certificate for herding evaluation that duplicates the kind of work for which Belgians were selected.

The initial AKC approval is for a five-year experimental project to allow BSCA to administer French style herding events. If, at the end of the five-year period, enough dogs have participated and enough interest has been generated to demonstrate that this is a viable program, AKC will formalize the program. If AKC approves the program on a permanent basis, those dogs that participated in the experimental phase will have their passing scores and titles recognized.

The French course involves tending style with the dog working close to the livestock. Unlike C course, several obstacles and short drives (dog taking stock ahead of the handler) in advance and a gather are required and furrows / boundaries are not. An illustrated description of the course for each level is included.

ELIGIBILITY

All dogs nine months of age or older **other than Border Collies and Kelpies** that are registered with the American Kennel Club and classified as Herding Dogs under Chapter 2 of the Dog Show Rules are eligible to participate in herding tests and trials. Dogs classified as Herding Dogs under Chapter 2 of the Dog Show Rules that have been granted an Indefinite Listing Privilege (ILP) or Purebred Alternative Listing (PAL) may participate in tests and trials.

No dog may be entered in two classes on the same course with the same kind of stock under the same judge at any test/trial.

Bitches in season shall be eligible and will run at the end of the class in tests, and in catalog order as listed in the class in trials.

A dog must be entered in the name of the person who actually owned it at the time entries for the herding test or trial closed. If a registered dog has been acquired by a new owner, it must be entered in the name of its new owner in any herding test or Trial for which entries closed after the date of acquisition, regardless of whether the new owner has received the registration certificate indicating that the dog is recorded in his or her name. State on entry form whether transfer application has been mailed to AKC. (for complete rule refer to Chap. 14, Sect 3 of "Rules Applying to Registration and Dog Shows")

AGREEMENT

I (we) acknowledge that the "Rules Applying to Registration and Dog Shows" and the "Rules for Herding Tests and Trials" have been made available to me (us) and that I (we) agree that the club holding this Herding Test or Trial has the right to refuse this entry for cause which the club shall deem to be sufficient. In consideration of the acceptance of this entry and of the holding of the Herding Test or Trial and of the opportunity to have the dog tested or judged and to win prize money, ribbons, or trophies, I (we) agree to hold this club, its' members, directors, governors, officers, agents, superintendents or show secretary and owner or lessor of the premises and any employees of the aforementioned parties harmless from any claim for loss or injury which may be alleged to have been caused directly or indirectly to any person or thing by the act of this dog while in or upon the Herding Test or Trial premises or grounds or near any entrance thereto, and I(we) personally assume all responsibility and liability for any such claim for damage or injury to the dog, whether such loss, disappearance, theft, damage or injury be caused or alleged to be caused by the negligence of the club or any of the parties aforementioned, or by the negligence of any other person, or any other causes.

I (we) hereby assume the sole responsibility for and agree to indemnify and save the aforementioned parties harmless from any and all loss and expense (including legal fees) by reason of the liability imposed by law upon any of the aforementioned parties for damage because of bodily injuries, including death at any time resulting there from, sustained by any person or persons, including myself (ourselves) or on account of damage to property, arising out of or in consequence of my (our) participation in the Herding Test or Trial, howsoever such injuries, death or damage to property may be caused, and whether or not the same may have been caused or may be alleged to have been caused by negligence of the aforementioned parties or any of their employees or agents, or any other persons.

I (we) will pay for any livestock injuries or replacement value in the event of death of any livestock by my (our) dog. In case of any injury to any stock caused by the dog entered, I (we) will assume total responsibility for any damage I (we) agree to pay the full market value of the injured animal in case of serious injury, or the veterinarian bill if the injury is slight.

I (WE) AGREE THAT ANY CAUSE OF ACTION, CONTROVERSY OR CLAIM ARISING OUT OF OR RELATED TO THE ENTRY, EXHIBITION OR ATTENDANCE AT THE EVENT BETWEEN THE AKC AND MYSELF (OURSELVES) OR AS TO THE CONSTRUCTION, INTERPRETATION AND EFFECT OF THIS AGREEMENT SHALL BE SETTLED BY ARBITRATION PURSUANT TO THE APPLICABLE RULES OF THE AMERICAN ARBITRATION ASSOCIATION. HOWEVER, PRIOR TO ARBITRATION ALL APPLICABLE AKC BYLAWS, RULES, REGULATIONS AND PROCEDURES MUST FIRST BE FOLLOWED AS SET FORTH IN THE AKC CHARTER AND BYLAWS, RULES, REGULATIONS, PUBLISHED POLICIES AND GUIDELINES
